Heritage Bikes

Ride in retro style with all the benefits of modern day technology. Our Heritage Range of beautiful lifestyle, city and adventure bikes taps into the rich vein of Malvern Star's long history, blending the nostalgic good looks from the brand's past, with modern materials, practical features and comfort. Our Heritage Bike range not only invokes nostalgia amongst generations of Australians who have grown up with Malvern Star, but is now proudly bringing this century-old brand to a whole new generation of riders.
